WIPES**  
**REF: MAB0060 BARCODE: 8681020477144**

## DISINFECTANT HAND & BODY CLEANSING WIPES

Disinfectant Hand & Body Cleansing Wipes are 99.99% effective on gram negative and gram positive bacteria with chlorhexidine as active ingredients. The product is %99,99 antibacterial, anti-fungicide and anti irritation.

It can be used for daily body cleaning in bedridden patients, intensive care patients, restricted mobility. Pre- and post-operative patients can be used to protect their body from environmental infections. It has a rich content and cleansing effect as well as a professional skin care. It is suitable for frequent use with soft cloth texture and skin-friendly pH grade. Unlike other cleansing products, it does not dry the skin, on the contrary it gives the skin nutrition and handiness.
